Missionaries to the U.S. Military

January – February 2017

Dear Brothers and Sisters in Christ,

Well, it's been another busy two months of deputation and we thank you for your thoughts and prayers. We have safely traveled over 7000 miles, added three new supporting churches and shared Christ with countless people because of your support. Michael started the year with a double ear infection and we all took turns battling sickness off and on but we seem to have finally put all that behind us. We are headed into a very busy stretch of meetings involving a lot of time in the car traveling through various climates. We ask that you would continue to pray for health and safety.

One of the things I really enjoy about deputation is the opportunity to share my personal testimony. I truly believe our personal testimony is one of the most powerful witnessing tools God has given each of us. If we can tell people what God has done for us, it's a short step to telling them what He can do for them. Recently, after sharing my testimony during an adult Sunday School class, the Pastor felt led to give an invitation and two people received Christ. It was truly a special time.

John 4:35 *Say not ye, There are yet four months, and then cometh harvest? behold, I say unto you, Lift up your eyes, and look on the fields; for they are white already to harvest.*

As we started the year, our prayer was to be in Germany in July. We had 60% of our support and we expected to hear from at least five churches we had presented at as they held their yearly business meetings. Unfortunately, only one of those churches was able to partner with us financially so we now sit at 63% supported and are aiming for November 2017. If God allows us to go earlier we will but regardless of support, we will step out on faith in November 2017 and head to Germany. Over the last two years, we have met or been told of at least seven different individuals and families headed to Germany. Some we have been able to direct to churches already over there but some are waiting for us. Please pray we can get to our field sooner rather than later because it is white already to harvest.

Thank you and God Bless.

P.S. Thank you all for your thoughts and well wishes on February 14th as Sheila and I celebrated our 21st wedding anniversary. You helped to make it very special.
