## Missionaries to the U.S. Military

May - June 2017

Dear Prayer Partners and Supporters,

As of September 1<sup>st</sup>, we have just 76 days left before we head to Germany and things are coming together very quickly. We were able to get our airline tickets for half of what we thought we were going to have to pay and we have made a down payment on our cargo container. We have some empty space in the container so BEAMS in Gulfport, MS is giving us Bibles to take with us and we have already received around 300 Bibles from Bearing Precious Seed in Milford, OH. We will be taking at least 800 copies of the Word of God to Germany for distribution by missionaries and pastors in Europe. I've often spoken of the world wide reach of a military church but just by traveling to Germany, we will be able to help spread God's word in at least 3 languages.

**Ecclesiastes 3:1** To every *thing* there is a season, and a time to every purpose under the heaven:

God has different seasons and transitions between those seasons for us. For the past 3 years, deputation has been our ministry. We have come in contact with so many people and created many special bonds. God has grown us spiritually and physically as a family. He has allowed us to share the Gospel with many people and in so many places. Deputation has had its difficult times but it's mainly been a huge blessing where we've been able to see God's hand at work so often. It is both scary and exciting to see this new season so close ahead; yet we see God's stamp on so much of the transition. We are talking to more and more people with military connections at churches we visit including young men and women headed off to start their military careers. God has given us 2 more families who have asked us to visit with them or loved ones once we get to Germany and we spent almost 45 minutes talking to a lady who just took over a Reserve unit's Family Readiness Group as they left for Afghanistan about their issues and needs.

Please pray for God's safety and help as we finish up deputation. We have some of our most extensive travels still in front of us including a trip out to Lancaster, CA the middle of October and trips to Texas, Alabama, Kentucky and maybe Pennsylvania. We load our cargo container on October 11<sup>th</sup> and our house is under contract but a rare paperwork issue has held up closing for the past 3 weeks. We are busy with preparations and travel as well as personal issues so your prayer is greatly appreciated.

Thank you and God Bless.
