

Patrick & Sheila Wolfe

Missionaries to the U.S. Military

November / December 2015

Merry Christmas and Seasons Greetings,

As we come to the end of December, and another year, I want to take the time to say **Thank You** to everyone who has had a hand in getting us to this point. Churches that have had us in to share our burden, people who have prayed for us or given so that we can continue to go and so many others; God has worked through each of you to get us to this point. Thank you all.

After 18 months of full time deputation, we are at 33% of the needed support for our field. Our prayer is to have full support sometime in the next 6 to 12 months. We had hoped to be on the field much sooner but God is the one who brings the meetings and support. I must remember that He has a purpose for how long deputation takes each missionary and work patiently.

Our son, Michael Lamonte Wolfe, was born on November 21, 2015 at 9:22pm. He weighed 8 lbs, 1 oz and was 23 ¼ inches long. His original due date was December 1st but because of complications from Sheila's gestational diabetes, the doctor decided to induce Sheila early. Unfortunately, after 50 hours of labor, Sheila was not progressing so Michael was taken by c-section. Mother and son are doing very well (as are Alana and I). We greatly appreciate everyone's prayers, thoughts, cards and gifts.

Two months ago I wrote that we were starting a Van Fund and would be looking at getting a new van before we started traveling again at the start of the new year. I thank everyone who has contributed financially and prayerfully. With everything that has come in and what we are able to contribute as well, we are about halfway to what we need for a reliable used vehicle. Instead of going into debt for a vehicle, we will continue to use our current car until God provides the rest. Please pray for our continued safety and my sanity.

As the year ends and we get back into our regular routines, away from the holiday cheer that has surrounded us, please remember the men and women who have and do serve our country. Several weeks ago a young veteran posted to Facebook that he was thinking of ending his life. Fortunately he decided not to and later sat down with his Pastor for counsel and support. Too many of the men and women who serve everyday don't have a Pastor they can sit down and talk with. Too many still do not know Christ.

Thank you and God Bless.
