Missionaries to the U.S. Military

October 1, 2013

Dear Partners and Fellow Labourers in Christ,

Thank you very much for all your prayers and support. I pray this letter finds each of you well and truly blessed. God has certainly been good to us.

January of this year we had no plans to be missionaries or going out on deputation but God did. We found ourselves trying to switch gears and go in the direction God has for us. There are a lot of things that go into getting ready for and starting deputation. Many times I felt overwhelmed and unprepared. However, the school we attended at BIMI gave us a lot of good information and God has directed some very helpful and knowledgeable people across our paths. There are still times I feel flustered and way behind but God has faithfully guided me through and blessed us at each step.

August 1st, I was able to start calling churches and pastors asking for meetings to share our burden and ask for support. Lighthouse Bible Baptist Church of Cape Girardeau was not only the first church to have us in for a meeting; they became the first church to take us on for support. Thank you Pastor Thompson and the people of Lighthouse Bible Baptist Church.

Because I am still working my civilian job until June 1st of 2014, we are only able to take meetings every other weekend and one Wednesday night a month. Even with the short notice and work constraints, God blessed us with 4 meetings to present our burden as well as 2 conferences where we were able to set up our display during August and September.

Please pray God continues to bless us with meetings and support. My aim is to be on the field the summer of 2015. We have a lot of support to raise before then. On average, 1 soldier, 16 veterans and according to Deborah Mullen, the wife of former Chairman of the Joint Chiefs of Staff, Adm. Mike Mullen, "a number too large to track" of family members take their own lives each day. "Lift up your eyes, and look on the fields; for they are white already to harvest." We need to make sure those who are paying for our freedom know of the One who paid for theirs and the hope He has for them.

Thank you and God Bless
