

Patrick & Sheila Wolfe

Missionaries to the U.S. Military

September - October 2016

Dear Prayer partners,

It's hard to believe how quickly the past two months have gone by and how quickly we are approaching the holiday season. It is exciting to see how much God has blessed and kept our schedule full. The Lord opened new doors in Virginia, Minnesota, and South Dakota for us to present our burden. Not only did He give new states to present in, He also provided us with several new supporting churches increasing our support level to 55%. With each new partnering church, God gets us one step closer to where our heart is. We long for the day we can be with our military and the people of Germany. We are so thankful for all those that pray and financially support us and our ministry.

As we approach the holidays please continue to pray for the sale of our house. We are currently under contract, but have run into a few snags and are now waiting to see if all will go through. We know God has it all under control and we trust Him to guide and provide in this current situation. It will be hard to say goodbye to the place we have called home for the last 14 years, but we truly believe this is the next step in our deputation journey. With each new step and goodbyes to different areas in our current life, we are one step closer to being on the field.

Please continue to pray for our safety, for Sheila's dad Ralph as he struggles with health issues, and for new support to continue to come in. We are praying that the Lord gives us 65% to 75% of our support by the end of this year. We know God is able because we have seen Him bless and open doors we didn't even know were possible, but He continues to amaze us every day. We just have to get out of the way and let Him work. We are in awe at the call He has on our lives and honored to be a servant for Him.

As the holidays approach, pray for our military and their families. Many will not sit around the dinner table with family on Thanksgiving or see the excitement in their children's faces on Christmas Day. Many will be in a foreign land serving and protecting our freedom and our country. There will be families that will have an empty chair at their table for the holidays because of deployments or even because they have given the ultimate sacrifice for our country.

May each of you have a Happy Thanksgiving and Merry Christmas. Thank you for investing in us, we are honored to be your laborers for Christ to our military in Germany. Thank you for your faithfulness and love. Keep on keeping on for the cause of Christ.

Thank you and God Bless.

The Wolfes
