

Patrick & Sheila Wolfe

Missionaries to the U.S. Military

September – October 2017

Dear Friends,

We have one last Mission Conference in York, PA and then we are done with Deputation. We leave for Germany on November 15, 2017 out of Chicago's O'Hare Airport and we owe each of you a huge thank you. God has been by our side every step of the way but we could not have done it without the things He did through each of you. The prayer support, financial support, cards, letters and sacrifices from each of you have placed us right where we are; on our way to Germany to give back what was given to Sheila and I when we were a young military couple stationed far from home, looking for something more. We will be there to give them a church home, a church family and a clear presentation of the Gospel.

When we leave, we will have been on full time deputation for almost 1300 days. We will have traveled just under 250,000 miles and presented our work in over 300 churches. We will have presented in 26 states and will leave with supporting churches in 20 of those states as well as 1 in Washington state and 1 in the country of Germany. During the journey we have lost 7 supporting churches but will still leave with 96% of our support. We have handed out over 10,000 prayer cards and 5,000 prayer bands as well as an untold number of plastic Army men to help people remember to pray for us. We still have prayer cards left if anyone would like additional copies.

Once we get to Germany, we will be working with Missionary Brett Skillen who is pastoring Wiesbaden Baptist Church. The work there is growing and we are excited to be a part of it. I will start off working with the teens. We will also be trying to follow up on the people we have been asked to visit with and possibly minister to during deputation. Please pray for the transition as we leave behind what we have called home for the past 15 years and start a new chapter of our lives but also pray for the ministry there. Pastor Skillen has had some difficulties with the chaplain in that community and we are praying for God to open doors. Lastly, please pray that God will quickly guide us to a permanent place to stay. The church there will be letting us live in their mission apartment but everyone knows there is no place like home and we are excited to be settling in somewhere instead of preparing to leave.

Finally, I would like to thank all those who gave to help us with our tickets to Germany and the cost of our shipping container. Many hands made light work and the cost of everything was completely covered. We will also be taking with us over 1000 Bibles for distribution in Europe because of your giving.

Thank you and God Bless.
